## FOREWORD

The 1965 Tyro celebrates SBHS' fiftieth year on the present campus. It also presents a pictorial account of 1964-1965 at Cardinal City. To introduce 1964-1965 at SBHS, the Tyro begins with a brief literary magazine reminiscent of the type published until 1921, when the Tyro began to function solely as a yearbook. During the pre-1921 years the publication served as combination yearbook, newspaper, and literary magazine. Published quarterly, the Tyro was bound in a paper cover like the cover which binds the introductory pages of this book.

In addition to the usual chronical of the year's activities, therefore, we pay special honor to SBHS on its Golden Aniversary. We salute the accomplishments of the past; we anticipate the promise of the future.

# SBHS History Covers Seventy-Six Years

## HISTORY OF SAN BERNARDINO HIGH SCHOOL

by Roger Smith and Randy Briggs

David Brainard Sturges was a man of many skills. A graduate of the University of Michigan, he decided to become a Congregational preacher. After a few years of this, he decided that he could do more good by teaching young people than preaching to old. He gave up his parsonage and moved to San Bernardino. In 1883, he established a private high school, the first one in San Bernardino.

It was called Sturges Academy. With the establishment of the school, the history of San Bernardino High School began. Mr. Sturges maintained his school, which was located on the north side of 4th street, a short distance east of "D" street, until the city of San Bernardino decided to begin a public high school in 1884. The city hired an architect from the East to come and build the school. Not knowing anything about the climate of Southern California, the architect built the school as most schools were built in the East. It was a four-story brick structure, designed to keep the heat in during the cold winters. Reportedly, this is exactly what it did, but it did it during the hot summers. The school was built on the southwest corner of 8th and "E" streets where Sturges Junior High School is today. Mr. Sturges was hired by the city to teach math to the students of the new school, which numbered around 40 or 50 students.

After several years of devoting themselves to the traditional idea of teaching their students the basic fundamentals of knowledge, the faculty of 1903-04 permitted the organization of the Associated Student Body. The year after that, the school witnessed the blossoming forth of several extra-curricular activities, such as the beginning of the **Tyro**, organization of debate and athletic teams. The **Tyro** was a quarterly publication, performing the combined task of yearbook, newspaper, and literary magazine. Other activities that apparently had the blessing of the administration of the school were those of two fraternities and three sororities.

Associate editor of the **Tyro** for the year 1907 was James A. Guthrie, now editor emeritus of the San Bernardino **Sun-Telegram** and chairman of the board of the Sun Company. His son, James K. Guthrie, now **Sun** publisher, was also on the **Tyro** staff when he graduated in 1931. Another famous graduate of that year was Grant Holcomb, who was student body president and later became mayor of San Bernardino. His son, Grant Holcomb, Jr., who now works for CBS as a news commentator in Los Angeles, is also an SBHS grad.

A few years later, in 1909-10, while San Bernardino was sporting an overflowing student body of an even 400, an assembly was arranged for the students to hear a lecture that would be impossible for students today to hear. The speaker was a gentleman named Dr. Bancroft, and his subject was the Assassination of President Lincoln. "As an eyewitness," he said, "I remember it vividly."

## Death of Mr. Sturges

In 1910-11, San Bernardino was a sad school indeed. At the commencement exercises, Mr. Sturges, as was customary, was scheduled to address the senior class. As he rose from his seat and mounted the podium, he was struck down by a heart attack. He fell into the arms of Mr. L. L. Beeman, principal of the school, and died. The students and faculty both were in a state of shock and grief for many days afterward.

In the years immediately before the moving of the high school to its present site, students formed several new clubs, including the Laf-a-Lots, a dramatic group and the forerunner of the present-day Thespians. Another club was the OSS, or Order of the Silver Sword. Its purpose was to meet once a week in order to read and study the Bible.

Because of the crowded and nearly unbearable conditions of the school, the School Board started action to get a new school built that would have plenty of room to expand. Many sites were looked over, and finally one was decided upon. A large hunk of cow pasture located on the corner of two dirt paths known as 19th and "E" streets was purchased. In March, 1915, the cornerstone of the main building was laid on the site by principal L. L. Beeman.

In his dedication address, Mr. Beeman revealed the great plans he had for the future of the school. After the initial construction of the Administration, Science, Classics and Home Ec buildings, five more were to be added as soon as possible. They were the boy's and girl's gymnasium, the cafeteria as well as agricultural and commercial buildings. Until the cafeteria could be built, students could eat in the basement of the Classics building, where the Student Store is now located.

The paying of taxes, however, has changed very little from the good old days. Harrassed by people who were against building a high school in the first place, Mr. Beeman pleaded for one more school improvement: "I want to say it is positively criminal to compel the pupils to go from one building to another when it is pouring down rain, getting their clothes and books drenched, and then have to remain all day in their wet clothing, and to climb the two extra flights of stairs when it can all be avoided by expending a few hundred dollars."

Thus began the fifty year history of San Bernardino High School at its present site.

## 1915-1934

Because of the distance of the new high school from downtown San Bernardino, many students took the street car to the end of the line, then walked the rest of the way to school. Some Highland and Rialto students even rode horses to class.

## "Hail, Hail SB High"

Early in the year of 1915-16, Principal Beeman offered a prize of one dollar to the person who would write a school hymn for SBHS. Two boys, Clarence Greenhood

# Span on Three San Bernardino Sites

and Clarence Coombes, decided to try. Soon, they came up with one that everybody liked and even after fifty years is still sung by the students of SBHS. The two boys split the reward.

1915 turned out to be a fine year for sports and debating. The debating team won seven out of nine debates, thereby winning the Citrus Belt Debating League Championship. The team later came in second in the All-State Championship.

The basketball team had a new turnout and hurriedly won the CBL championship. They, too, later came in second in the All-Southern Championships.

The following year, 1916, did not turn out as eventful as 1915. This year a new club was added, the YWCA girl's club. During all previous years, rugby was played at San Bernardino High but in 1916, the sport was changed to American football.

The basketball season might have been an excellent one for SBHS if it hadn't been for the opposition. Five opponents refused to play the Cardinals and thereby forfeited the games.

## 1917-1919, World War I Years

In the school year of 1917, all eyes were turned towards World War I. During the year, thirteen patriotic boys decided to drop school in order to fight for their country.

The football team looked hopeful during their practice games, but when it came to league play it was another story; the Cards dropped every game.

The basketball team would have nothing to do with such a record, however, and promptly won the CBL. Also, the tennis team nabbed the CBL title.

In 1918, with the growing intensity of the war, 178 boys decided to quit school and fight for their country. It has not yet been determined whether the boys were in earnest when they quit school or whether the original thirteen that had dropped school a year earlier had written back and compared fighting at the front with studying at school.

Through need in the war, two new clubs were started, the Junior Girls Surgery Club and the Junior Red Cross Club.

This year the basketball team took home the bacon in the CBL. The track team also made a fine showing by coming in second place in the State finals.

The next two years were devoted entirely to the war effort. Two hundred ninety-four boys left school for active duty. The students at school felt it their duty to do something for those who were fighting for them so they started gardens and began war bond drives. At the war's end in 1919, 350 persons had war gardens either at home or on campus.

Again in 1919 and 1920, SBHS' basketballers won the CBL title, thus bringing their winning streak to four consecutive years. Mr. E. C. Cline, SBHS' basketball mentor, was building teams that would be known as the Yankees of the CBL for several years.

## Cadets with Military Band

By 1920, a new organization, the Cadet Corps, was chartered as a school activity. It now had over two hundred fifty members and had its own military band.

Over the next three years the basketball team won the CBL in 1921, 1922, and 1923 bringing the championship to eight consecutive seasons.

Possibly one of SBHS' most famous graduates attended Card City in 1921. His name is Dr. Marshall Dimock, the brother of SBHS vice-principal Elizabeth Dimock. Dr. Dimock is a professor of political science who has served as Assistant Secretary of Labor under Franklin D. Roosevelt as well as a commissioner of the Immigration and Naturalization Service. He has also held the position of consultant for the United Nations and Natural Resources Commission, and many other government positions.

Some of the gym teachers decided that a club should be formed having the best leaders and athletes from each class as members. This club was called the Leaders' Corps.

## Ernie Pinckert—Athletic Hero

In sports, both football and basketball SBHS copped CBL championships led by perhaps the greatest athlete ever to have walked the halls of Cardinal City. His name was Ernie Pinckert. In his freshman through senior years at SBHS (1924-27), he led the Cardinals to four straight basketball championships. He later attended USC where he became an All-American football star and won a Rose Bowl game for the Trojans with a last-minute field goal. After college, he played pro football with the Washington Redskins.

In 1925, the football field was permanently named Stockton Field in honor of the then current principal. Stockton Field had a lighting system, and some of the home football games were played under the lights. In basketball, the SBHSers again romped through the CBL. Two clubs were formed with the idea of promoting school spirit, the Booster Club and the Rooter Club or girls' pep club.

The year 1926 turned out to be one of the best all-around years in the history of the school. Helping to boost SBHS to many honors was a student by the name of Dean Woolridge who won several cups and trophies for being the fastest and most accurate typist in Southern California.

In the field of sports, SBHS showed the other schools that it could do almost anything it put its mind to by winning the CBL in football, basketball, lightweight basketball and track.

The students of the school had a right to be proud of the track team because its captain, Jimmy Payne, held the World Interscholastic record for the 220 yard low hurdles at 23.8 seconds.

Also during this year, a new club was formed. Its name was the Baby Beef Club and was formed by boys interested in raising cattle.

# Six Buildings, Lush Gardens, New Site

## Earthquake Damages Pillars

During the year of 1927, SBHS felt the damage of a very large earthquake. It severely damaged the four massive pillars on the administration building, which led to their eventual removal.

The next year, Cardinal City graduated what was to be its first future member of Congress, Mr. Kenneth Dyal. While at SBHS, Dyal was the top debator and also served as Commissioner of Forensics.

As for club-forming, during the 1927 to 1931 period, thirty-two clubs were formed. Among these clubs were the Block "S," the GAA, the Junior Farm Club, The Bunny Club (a rabbit raising club), the Nomad club (a hiking club), the Broadcasting club (this club formed its own radio station—KFXM—and broadcasted regularly), the Country Gentleman Club (a rabbit raising club), and many others.

In 1930, Cleon Skousen, author of *The Naked Communist* and also a former FBI agent, was graduated from SBHS. Mr. Skousen once ran for governor of the state of Utah and now is occupied with lecture tours.

In 1932, in continuation with tradition, the annual reported that the biggest bonfire in the history of SBHS was had before the big game with Redlands. This year the Cards brought home two CBL championships, baseball and lightweight football.

During the next two years a new organization was formed. It was called the Future Farmers of America. The Future Farmers pooled the resources of the Baby Beef Club, the Country Gentlemen's Club, The Bunny Club and those of any other interested party into one big organization. They utilized to the fullest all available agricultural ground at SBHS until 1954, when they moved to Pacific High School because of lack of space at SBHS.

Also, in 1933, Cardinal debators argued their way into the championship of the Citrus Belt Debating League.

## 1915-1964

In 1935, San Bernardino High School was in the middle of a gripping depression. While funds for activities were scarce, clubs and social groups continued to function even without the padded treasuries. Such organizations as Junior Exchange, a boys' service club was formed with the idea of fighting the Communist faction in the United States. Other clubs without such idealistic aims were the Big Bore Rifle Club, the Redskin club as well as an affable fellowship of towel boys known as the Knight Chancellors of the Bath.

SBHS in 1935 was undefeated in debating and won for the third year in a row, the CBL debating championship. In CBL sports, with Pomona, Riverside Poly, Redlands, Colton, Chaffey and SBHS making up the league, SBHS fared slightly worse than the debating team. The Cards were two and six in football, zero and seven in basketball.

Also, a new course was added to the curriculum this year. It was entitled Orientation, and its purpose was to acquaint students with SBHS. The first-year teacher for it was Miss Elizabeth Dimock.

In 1936, two new male clubs were formed that had almost identical purposes. They were the Periclean Society and the Athenian Club. The Pericleans were made up of the leaders of the school that banded together in a service organization. To counter this so-called upper-class club, the Athenian Club was formed. The Athenians had the same purpose as the Pericleans, which was school service, but the requirements were that a prospective member not be a leader of the school. After 1936, the Athenians were never heard of again. The Pericleans lasted thirteen years, until it was dissolved in favor of the present day Key Club.

## Enrollment Passes 2000 in 1937

The next year marked the passing of the 2000 enrollment notch at Card City. The ASB constitution was revised, the curriculum enlarged and during the next year, the business building and cafeteria were added to meet the increased demand of the growing enrollment.

Due to the 1927 earthquake, remodeling in the auditorium and Ad Hall forced the removal of the columns in front of the Administration building as well as the bas-relief of an old Soboban chief which was on a platform over the arch of the auditorium. Both were so greatly missed by the students, reports the 1939 annual, that a mural (the present day one) was painted just inside the brand new foyer on the auditorium to replace them.

## SBHS is Fifty in 1939

Also in 1939, SBHS was celebrating its fiftieth anniversary. It had been fifty years since the first graduating class had received its diplomas. In 1965 the fiftieth anniversary SBHS is currently celebrating is in honor of the founding of the school at its present site in 1915. Two other important dates have been ignored, however. In 1883, the first high school in San Bernardino was founded. In 1884, the first public high school came into existence. If SBHS plays its Cards right, the Cardinals can have a 100th anniversary in 18 years, have it again one year after that and then again in five more years for the graduating class.

During the war years, Card City was a virtual hotbed of patriotic activities. All campus clubs, instead of raising money for their own treasuries, went out to raise considerable sums for the war effort. Servicemen received letters from SBSS students and war bond drives were a constant companion to students attending Card City in the war years. There were a few bright spots, however. In 1942, although the basketball team was unusually poor, the team did produce four senior outstanding players. They were Walter Spencer, Karl Evans, Cruz Nevarrez and Richard Adair. Richard Adair? Yes, it's the same one who returned to his alma mater eleven years later to coach PE and varsity basketball.

# Greet Students and Faculty in 1915

Orange Show stadium was built in 1941 in time for the high school football season, so SBHS moved to that location for its games. Games had previously been played at Stockton Field, a field which is now known as the SBHS gym field.

It has been estimated that 1073 former SBHS graduates and faculty were active participants in World War II. At the end of the conflict, a tally was taken to determine how many had died in the war. The final result was a grim seventy-two former Cardinals and faculty missing or killed.

After the war, which the 1945 annual celebrated with the dedication of its theme to Victory, San Bernardino High School reverted back to a peace-time economy. In order to keep up with the increased demand for efficient records (and to comply with a new state law stating that no club on campus could call its money its own, it had to come under the heading of Student Body Funds), SBHS hired a financial secretary. Her name was Miss Ruth Meyers.

## Atwood Memorial Trophy, 1945

Also, directly after the war, a new athletic trophy was presented to the school. The Leon A. Atwood Memorial Trophy was awarded to the best all-around athlete in the senior class of SBHS. It is currently kept in the display case in the Ad Hall with all the names of the outstanding athletes dating back as far as the first athletic records were kept.

With the return of boy friends and friends from the services, having fun became the main concern of most students on campus. In 1947, the La Boas, a boy-girl beach gang that commuted to Laguna or Balboa beach every weekend was formed. La Boas only lasted until the people concerned with it graduated.

## SBHS Becomes Card City in 1949

In 1949, a significant change came about in the SBHS governing processes. Instead of running the student body on a system based upon that of the federal government, it was changed to that of a city government. The Student Congress was dropped in favor of the Student Council. The President of the Student Body became the Mayor of Cardinal City. The idea of SBHS now becoming Cardinal City was born. The first mayor was Chuck Patterson. Although SBHS is now celebrating its fiftieth birthday, Cardinal City can technically claim only fifteen years of existence.

As SBHS entered the decade of the 1950's a new conflict was upon the United States. Although it was officially a United Nations Police action, it was a war to the men fighting it. One of those men, and perhaps the most honored of all SBHS graduates, was Joseph C. Rodriguez. In May of 1951, Rodriguez singlehandedly destroyed five enemy machine gun nests and fifteen of the soldiers manning them. For this courageous act, President Eisenhower awarded Rodriguez the Congressional Medal of Honor, the highest honor the United States can bestow on a man in the military.

Two years later, on a March night in 1953, students

in the immediate vicinity of SBHS awakened to whines of sirens. If they were quick enough in dressing and getting to the school, they saw the last remains of the girls gymnasium go down in flames. The gym, in existence since 1919, had caught on fire and, in the March wind, spread quickly to engulf the entire structure.

The Tyro Annual, in 1954, noted that Card City had an overflowing population of 3500 and with every facility at considerable strain. The next year, however, the Annual reported only 2300 students enrolled, with the building of cross-town Pacific High School to alleviate SBHS' population problem. The 1955 Tyro ignored the beginning of Pacific High totally, and let the new educational facility get off to a pleasant start.

As SBHS entered into the school year of 1954-55, it also entered into its fortieth year of existence at 19th and "E" streets. This marked the start of a general upswing in quality in nearly everything at Card City, including the athletic teams. The Cardinals, who had never really been noted for their winning basketball teams, except for a period in the late 1910's and early 1920's, began a series of seasons which consistently placed them among the top three in CBL competition, climaxed by the CBL championship in 1964. The Cards went to CIF three straight years before 1964 as runner-up in the CBL. In 1963, the Cards travelled to the CIF quarter-finals.

SBHS also produced an all-CBL choice in football that was destined to make football his profession. Joe Womack, who started for the Redbirds in 1955, later joined the Pittsburgh Steelers of the NFL.

Card footballer's preferred to wait for their big moment. It came in 1961 when SBHS swept to a tie with Redlands for the title, defeating Redlands in the process. Redlands later went on to become CIF champions for that year. It was the first championship for Card City since 1939.

In that same year of 1961, Cardinal trackmen won CIF fame led by Tom (the Bomb) Hester, who set a national record for the low hurdles.

Two other notables stood out in adding fame to the name of SBHS. The **Tyro Weekly**, SBHS' school newspaper, gained honors from national press services and at local, on-the-spot writing tournaments. Also, the Card Band, the Marching Hundred, won high praise in Southern California competition during the past decade.

## Victory Bell, Dr. Dolan Come in 1960

1960-61 should go down in the annals of SBHS as an historic year for the Cards. It was during this year that two of Card City's most permanent fixtures became a part of SBHS. The first was the Victory Bell donated by the Santa Fe Railroad. It was an old bell that needed a lot of polish, but the student council members of that year did an admirable job on it. The other addition was Dr. G. Keith Dolan, SBHS principal.

The year after that, SBHS joined in the foreign exchange student program, which yearly brings in two students from a foreign land to study at San Bernardino High School.

## DEDICATION

San Bernardino High School began with an idea. The idea was that education builds responsible citizens and that responsible citizens strengthen a free society.

Through the early leadership of such men as David B. Sturges and L. L. Beeman enrollment soared, the campus expanded, the curriculum was enlarged, traditions sprang up, and organizations flourished. The idea was becoming a reality as enthusiastic young graduates began to assume positions of leadership in an increasingly complex society.

Now in its eighth decade, SBHS still rests upon this ideal. San Bernardino High School is a highly-respected institution. Her foundation is secure, her traditions are cherished, her promise is bright. We salute five who have contributed greatly to her seventy-six years of accomplishment — Miss Hester Leaverton, Mrs. Esther Kelley, Miss Grace Spaeth, Mr. Ralph Simpson, and Dr. Angelo Saporiti.

To the ideals which have guided the development of SBHS and to the faculty and students who have made her strong, the 1965 TYRO is gratefully dedicated.

# SBHS Welcomes Mr. David Stine, as

G. KEITH DOLAN  
Principal

It was 1915. Across the Atlantic old empires were destroying cities, countries, traditions, and themselves. It was the year of great courage for Nurse Edith Cavell as she faced a firing squad. It was the year the Nobel Peace Prize was not awarded. It was the year the Lusitania sailed into the sight of a German periscope and, by doing so, never reached port. It was the year that the cornerstone for San Bernardino High School was laid.

The world had not yet felt the impact of men like Herbert Hoover, Winston Churchill, Adolph Hitler, or Mohandas Gandhi. Americans had not yet thrilled to the accomplishments of Charles Lindbergh, Babe Ruth, Charles Chaplin, or Jesse Owens. During the past half-century these names have become household words in relation to world and national problems. During the same period of time many students have earned a basic education at Cardinal City, as more than three thousand youth are doing at the present time. Many of our graduates have gone on to great accomplishments in the City of San Bernardino and in the rest of the world.

With the nation's interest absorbed by war headlines in 1915 it was an unlikely time for a successful debut of a high school program. But time ended the war and pressed many of our graduates into yet another one. The class of 1965 faces headlines of a similar nature with the crisis in Viet Nam. Despite these world tensions and the uncertainty of the future, the graduates of this class will take the leadership roles of the future as have the members of the 49 classes that have preceded them.

There will be even greater problems to solve in the fifty years ahead and the names that will become prominent will be those graduating in the classes around the world this year. The only difference for you in the history of the future is that you are now a vital part of it. Graduating members of this Golden Anniversary class, we salute you!

The Fiftieth year has come and gone. It was a busy and wonderful year. The senior class deserves much of the credit for such a year of accomplishment. I wish to extend to each and every one of you my congratulations and best wishes for continued success in life.

To the underclassmen may this year and the examples of the seniors serve as a challenge for you in your remaining tenure at Cardinal City.

From Governor Johnson's Dedicatory Address as printed in the 1915 TYRO Annual, I quote, "We dedicate this school to those who are enrolled, to those who are its students; we dedicate to the decency of a great community and civic righteousness of a glorious commonwealth; to the citizenship of today and tomorrow; and we dedicate it that your city may go forward to light, decency and righteousness."

It has been my great honor to have been a small part with so many in the fulfillment of this destiny.

Curtis Glass

San Bernardino High School is celebrating its 50th anniversary at this location this year. In 1939 we celebrated our 50th anniversary as a school. I am one of the fortunate people who has been able to participate in both celebrations. As a graduate of this high school, and a staff member since 1935, I commend Edwin Markham's Creed to you:

"There is a destiny that makes us brothers;  
None goes his way alone;  
All that we send into the lives of others  
Comes back into our own.  
I care not what his temples or his creeds,  
One thing holds firm and fast —  
That into his fateful heap of days  
and deeds  
The soul of man is cast."

SBHS lives as an institution because of the truth of this creed.

Elizabeth Dimock

The doctrine of democracy dictates the necessity for an intelligent electorate. Today's modern day high school is charged with the responsibility of educating the young citizenry and guiding them in the ways of our country, our state, and our community.

The growth and progress of our community is a dynamic testimony to our educational system. For over a half century, San Bernardino High School has been the backbone of this system and its graduates can be proud of their heritage and their personal achievements.

Personally, I feel honored that I have had the unique experience of attending SBHS as a student, and later serving as both a teacher and an administrator.

The graduates of the Class of 1965 can be proud of their accomplishments of the past and can look forward to the challenges of the future.

## STUDENT COUNCIL

This hard-working elected body is the student government for SBHS. Council meets daily and studies the many problems of a city of over 3,000 teenagers.

These students regulate all campus programs such as dances, sports, sales, celebrations, and club activities. The council administers the raising and distribution of student money, initiates codes and rules, and provides for the general welfare of the citizens of Cardinal City.

Council members temporarily take up space of SBHS's new "Welcome" sign.

# Brad Lusk Was Elected Able Leader

Brad Lusk was elected Mayor of Cardinal City.

L. L. Beeman, first principal of SBHS at its present site, is shown with Brad Lusk and Dr. Dolan after a TV appearance on "Assignment Education."

## STUDENT COUNCIL

The fiftieth year started off with a new advisor for Student Council. Mr. Thomas J. Feeney, who had been a council advisor and vice-principal for five years, left San Bernardino High to be principal of Richardson Junior High. The active U. S. history teacher Mr. Bryan Burke replaced him.

Council meets second period each day to carry on business for the student body. Bills are passed for activities, money requisitions are approved or disapproved, grievances are aired, and ways to improve our school are discussed.

The SBHS Council is aided by Cardinal City Congress by giving the City Council members a chance to know what the student body wants. The president of CCC (Ray Saucedo this year) is a regular Council member.

At the farewell party for Mr. Feeney, vice-principal Curtis Glass awards him a certificate. Mr. Burke is seated at right.

Pre-showtime conference is held by Mayor Lusk, Director of Assemblies Penny Hulse, Dr. Dolan, and Beau Brummels.

# of Students At Berdoo for 1964-1965

Senior Class President Scott Reid, Commissioner of Pep Mary Jo Dikeman, and Advisor Burke examine 50th year medal.

The highlight of the 50th year was a special week set aside for anniversary celebration activities. During the week the popular singing group The Beau Brummels played for an assembly. The Riffmen from the University of Redlands played a band concert before the premiere showing of the film, "50 Years of SBHS," which was produced, directed, filmed, and edited by Mr. William Threath. Tennis shoes were also sprayed gold during the week to commemorate the founding of SBHS at its present location.

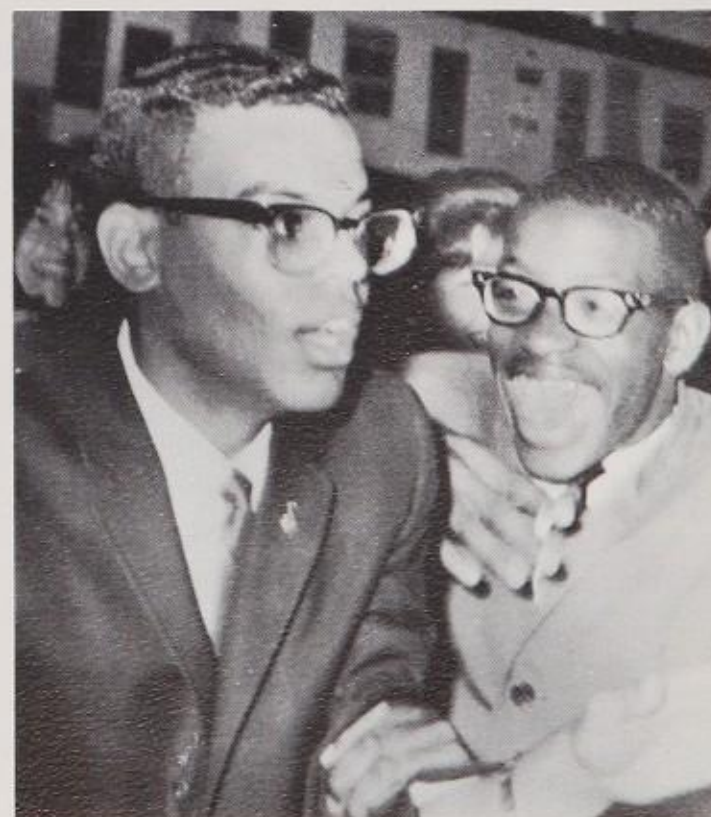

In our "golden year, we were the only high school to have a booth and display at the 50th National Orange Show, and to be honored on a day at the exposition. We were also featured on a TV program called "Assignment: Education." Card City Council members were invited to attend and participate in meetings with the San Bernardino Council to discuss juvenile delinquency problems.

It was Commissioner of Domain Darrell Hawthorne's job to begin work on the area for the Cardinal Archives. That meant hours of digging dirt out of a small storage room. Brad Lusk, Mike Andrews, and Commissioner Hawthorne, are pictured at work.

As president of ICC, Judy Ellis (Director of Commissioner) had the honor of "crowning" the winner of the "Ugly Man Contest" with a pie in the face. The lucky winner was Mike Wilson. Also poised for the attack are Scott Reid, Charles Alexander, and "Chops" Imbriani.

Newly elected Mayor for '65-'66 Norris Gregory doesn't seem to be nearly as surprised at the announcement of his victory as does his campaign manager Jim Sweeney.

# SBHS Achieves Academic Excellence;

Lynn Wardle and Larry Levin were the first SBHS students to win the BPO Elks Youth Leadership (city division) Contest. Larry won first place, Lynn second.

Rafer Johnson, Olympic decathlon champion, presented Ken Moton and Armando Mena awards for their outstanding photography.

Mr. Park Dyer, speech coach, encourages members of his team Frances Temple, Oscar Perrier, Sandy Wilcox, and Brenda Chumley.

## ACHIEVEMENTS

SBHS is well-known for its academic achievements. 1964-1965 was another record breaking year.

Berdoo was host for a Golden Anniversary On-the-Spot Writing Tournament. The debate team participated in several tournaments and had winners in nearly every one.

Eight of our seniors won merit letters for high scores on the National Merit Scholarship Qualifying Test. Keith Rhodes, a junior, won a first place in the Citrus Belt Speech Tournament at Poly High School.

Joe Byrne, SBHS senior, won a third place in the physics division of the Harvey Mudd Science Day at Claremont. He is shown here with "Resca" (Research Emission Spectroscopy Chemical Analysis), a companion for over two years.

# Langberg Leads Challenge Bowl Team

Challenge Bowl team members and sponsors are **Row 1:** Joe Byrne, Ann Marie Popadek, and Jack Reid. **Row 2:** Dr. G. Keith Dolan, Miss Joanne Woodward, and Steve Langberg.

## CHALLENGE BOWL TEAM

The Challenge Bowl is in its second successful year at San Bernardino High. It seems that this year our brain team has been more of an asset to SBHS than our brawn teams. The television College Bowl, which was a "battle of the brains," inspired the Challenge Bowl.

The Challenge Bowl Team in action at the Eisenhower game.

Team members from two schools try to answer as many questions as possible in four twenty-minute quarters; the team with the greatest total number of points wins. Each team must answer questions in the fields of math, science, social studies, and English that are formulated by teachers in the respective academic departments.

Steve Langberg, who was the only sophomore on the 1964 team, is this year's captain. Other members of the team are Jack Reid, Ann Marie Popadek, David Martin, Mike Austin, Joe Byrne, Carol Press, and Gary Ross.

A Citrus Belt Challenge Bowl league was being set up, but apparently this is not going to be the year that we have a Challenge Bowl League. Proposed members of the league were Eisenhower, Pacific, Aquinas, St. Bernardine's, San Bernardino, and either Ramona or Riverside Poly.

Ben Treas, Commissioner of Academics, is in charge of setting up games. He said of their first smashing victory over Pacific: "The team really did a fine job . . . I think they surprised themselves more than anything. Winning their first game gave them the little bit of confidence they needed. I expect great things of them."

Miss Joanne Woodward and Dr. G. Keith Dolan are coaches of the "brain trust." Dr. Dolan "engineered" the setting up of the team in 1964.

# AFS Campus Celebrities in '65 Are

YASUO ASHIDA

One of the greatest honors Yasuo received was a letterman's jacket and a varsity letter in wrestling from Rafer Johnson, Olympic decathlon champ.

## YASUO ASHIDA

Yasuo Ashida of Japan was the boy AFS exchange student to come to Berdoo. He is "brother" of senior Russell Nelson and sophomores Pat and Pam Nelson. Besides being a good math student, he is a superior wrestler.

During an assembly, Yasuo was given the chance to call his home and speak to his parents. In the AFS assembly, he and Jeanne Van der Merwe talked about their native lands and showed slides.

Yasuo adapted himself easily to his new surroundings in America. He was easy to get to know. All anyone had to do was walk up and say, "Hi, Yasuo," and an instant smile resulted.

Yasuo, Dr. Dolan, Rose Marie Gonzales (AFS President), Brad Lusk, and Sharolyn Carter (Public Relations) hold up hands to represent SBHS' 50 years.

As an outstanding math student, Yasuo proved himself by winning a national math contest.

# Yasuo Ashida, Jeanne Van der Merwe

Jeanne was given flowers on her birthday in accordance with the custom that originated in South Africa.

## JEANNE VAN DER MERWE

The Union of South Africa sent us Jeanne Van der Merwe as an American Field Service exchange student. She lived in the homes of the Robert Howells and the Brian Burkes.

Jeanne is a senior, but besides the usual senior subjects she had American history and physiology. Jeanne was a member of Card City Council and Mr. Burke awarded her a council pin during second semester.

Nearly always smiling, Jeanne was friendly, and sometimes a little shy. She participated in many extra-curricular activities and helped cheer on our teams.

JEANNE VAN DER MERWE

Kitty Groenendaal (a native of Holland) and Bev Ammerman (a good ole American girl) help Jeanne through the "joys" of physiology.

Mrs. Cochran gives Jeanne a tennis lesson during 7th period gym.

## SBHS BAND

San Bernardino High's active band is directed by Mr. Alan U'ren and led in its maneuvers by Drum Major Larry Johns.

This year the band participated in The San Bernardino Festival of Instrumental Music held at Pacific High School and won a "superior" rating.

The band is governed by nine elected officers who work with Mr. U'Ren in planning band activities. At Christmas the band and orchestra members sold fruit cakes to make money for a Disneyland trip. They cleared about \$800 on the project and enjoyed their well-deserved outing at the "Magic Kingdom."

The band not only goes to festivals and sells fruitcakes, but it also provides entertainment at half-time during football and basketball games, marches in parades, and plays Winter and Spring Concerts.

Doris Reitz, Donald Dudley, Juanita Edwards, William Hendricks, Francesca Sims, Fred Nagelschmidt.

Larry Johns was chosen Drum Major for this year. His duties included leading the band in formations and assisting Mr. U'Ren.

1964-65 Band officers: Jo Anne Douglas, Shirley Rietz, Patty McWherter, Armando Galvan, Steve Gambrell, Juanita Edwards, Margie Rodriguez, Marian Miller, Doris Reitz.

## ORCHESTRA AND SWING KINGS

The sixty-piece Orchestra and the Swing Kings, SBHS's dance band, are two of Berdoo's principal instrumental music groups.

The orchestra presented a Christmas program to the student body and played in the Annual Winter Band and Orchestra Concert during February. The orchestra members also worked with the band to raise money for the Disneyland trip they had planned.

The Swing Kings, who rehearse after school, played at the National Orange Show in the Swing Auditorium. They also presented their annual assembly program during first semester.

Mr. U'Ren is very proud of his groups. At the beginning of the year he said, "I think the band and orchestra people show a great potential this year toward being the finest group we've had on this campus. The students have great spirit and want to be the very best possible."

# A Capella Choir and Girls' Choir

## A CAPPELLA CHOIR GIRLS' CHOIR

The A Cappella and Girls' Choirs are the main choral groups on the SBHS campus. Directed by O. V. Hauschidt, the choirs have performed not only in Cardinal City, but also at many San Bernardino civic functions.

The annual Christmas assembly, an appearance at the Swing Auditorium for the 50th Anniversary of the National Orange Show, and the annual Spring Concert are several of the events that the choirs have participated in.

Highlighting the '64-'65 year was the Easter Cantata at which about 270 alumni sang with the choirs to make an inspiring program.

Amelia Gabriel was chosen student director by the choir. Her job was to assist "Dutch" in handling the choir, and occasionally to direct a number herself.

# Fallert and Nason Direct Thespians;

Gail Meadows hears no evil, Helcha Acuna speaks no evil, and Mike Ash sees no evil in "The Curious Savage."

The eccentrics from the "Curious Savage" were played by Helcha Acuna, Gilda Brown, Yvonne Vines, Mike Ash, and Gail Meadows.

Anne Frank was portrayed by Frances Chasco.

Les Barnum, Carol Niemeyer, Brad Lusk, Frances Chasco, Cynthia Sims, and Tom Morrow made up the cast of "The Diary of Anne Frank."

Jeanne Herberger as Helen Keller, and Pam Slater playing Anne Sullivan, exhaust themselves in the "fight scene" from "The Miracle Worker."

One of the most touching scenes of "The Miracle Worker" came when Helen finally learned to listen with her hands.

The "tough guys" from "An Extraordinary Day" were Ron Percival, Ed Merrick, and Richard Gabriel.

Mike Tappan played the policeman; Sue Mayer and Pam Valer portrayed his admirers.

## THESPIANS

The Thespians this year presented several plays for SBHS audiences. Mr. Jerome Fallert and Mr. George Nason directed all the plays except "An Extraordinary Day," which was written and directed by students Susan James and Mike Ash.

The first play of the year was "The Curious Savage" by John Patrick. The next was "The Diary of Anne Frank," a young Jewish girl's experiences during World War II. "The Miracle Worker" by William Gibson was presented in January. Finally the hilarious "An Extraordinary Day" was previewed in an assembly.

# Penny Hulse Sets Up Assemblies

Highlighting the Golden Anniversary Week was the appearance of the Beau Brummels, a popular singing group.

The Riffmen from the University of Redlands entertained the student body in an assembly then played for a dance and the premiere showing of the 50th year movie the same week.

Pacific's ASB President Bill Leonard (alias John Porter) introduces lovely football homecoming queen "Chiquita" (Lindsey Lautz) during the pep assembly before the disastrous Pacific-Berdoo football game.

"Kids, you can't understand anything they say!" laments Miss Witherspoon in "An Extraordinary Day." Susan James (Miss Witherspoon) was the co-playwright of the production.

## ASSEMBLIES

Penny Hulse, Commissioner of Assemblies, has had her hands full this year. During the last thirteen weeks of school, the student body enjoyed at least one assembly per week.

Since our auditorium was being remodeled, the assemblies were held in the gym. Then finally the thankful Card City citizens moved to the sparkling clean auditorium for interesting assemblies that were many times entertaining, too.

Besides the pictured examples, we saw a surf movie by Bruce Brown, a John Goddard presentation of travel adventures, and Yasua Ashida called his home in Japan and Ella Colo, last year's exchange student from Italy, spoke to SBHS students. The band, orchestra, and choirs presented entertaining programs, and seniors were warned "not to ditch" on traditional senior ditch day.

The awards and senior farewell assemblies ended the eventful 50th year.

Amelia Gabriel tells of her trip to Brazil as an AFS exchange student.

## SBHS DRILL TEAM

San Bernardino High School's Fiftieth Year drill team is supervised by Miss Elaine Carman. The girls on the team are led by Maria Serrano, drill team head.

Maria's job is to give orders when the team marches, to devise routines, and to assist Miss Carman. Maria is also a Pom Pon Girl.

The team was invited to march in the Scioto's Parade on the opening day of the Fiftieth National Orange Show, and was awarded a first place.

Miss Carman admits that the team has not participated much in parades this year, but when they have marched they have done very well.

# Cheerleaders, Flags, Batons and M

1965 cheerleaders show off new signs drawn by student teacher Jeff Owens. Cheerleaders are **Row 1:** Mary Helen Campos, Sylvia Hernandez. **Row 2:** Barbara Ortez, Mary Kachevas, Chris Behnke, Mary Jo Dikeman, Penny Hulse (Head), Roslyn Townsend, Rosie Dow, Chris Kachevas, Donna Cocking.

Chris Behnke doesn't know whether to laugh or cry.

Mary Kachevas, Mary Jo Dikeman, and Penny Hulse rejoice after a spectacular shot by SBHS cager.

Rosie Dow and Sylvia Hernandez cross fingers and hope, hope, hope.

"Friendliness is treating Pacific cheerleader cordially says Mary Helen Campos.

Roslyn Townsend happily leads cheers on Dad's Night during football season.

Susie Kent and Sherrie Johnson, both prize-winners, share the honors as baton twirlers.

# Mascots Keep Berdoo's Spirits High

Phyllis Bellinger, Mary Helen Roman, Frances Rodriguez and Linda Crumpler were our flag twirlers.

## SBHS PEP GROUPS

This year's cheerleaders are under a new system; there are no "B" cheerleaders; all are varsity. Along with the other groups, they have marched in parades, pepped up students at pep rallies, and done their regular duties at athletic events.

SBHS has two mascots. Mary and Chris Kachevas take turns during games acting as our Cardinal birds.

Flag and baton twirlers not only perform, but also lead cheers and songs. Mary Jo Dikeman, Commissioner of Pep, is also on the squad, so she keeps Council informed.

# Pom Pon Girls Entertain Pep Audience

Pom Pon girls Cecilia Lopez and Joann Negrette assist Brad Lusk in the football homecoming coronation of Marilyn Shober (also a Pom).

Judie Ellis, Marsha Roberts, Paula Diehl, Sandi DeWeert, Linda Moore, and Sheryl Hartwell are part of the pom group.

# es and Sometimes Become Queens

Mary Helen Campos, Kathy Katona, Joann Negrette, and Marilyn Shober run to congratulate football team after a touchdown.

## POM PON GIRLS

The pom pon girls at SBHS have several duties. They present entertainment at athletic events, serve as pages during homecoming queen coronations, and they march with the drill team and other pep groups in parades.

The Poms are advised by Miss Catherine Livingston, also advisor for the cheerleaders. Girls who want to be Poms must first serve as members of the drill team. They must practice routines and try out for parts. The girls trying out are judged by a panel of gym teachers.

The winners must work hard to maintain their positions. This year's team did a fine job of entertaining and did well in competition.

Cecilia Lopez, Marilyn Shober, Pam Nielson, Joann Negrette, Kathy Katona, and Maria Serrano are the other half of the pom pon girls.

# Fads Are Transient, but Traditions

At an afternoon basketball game Cards yell, cheer and work hard to keep the pep jug filled to overflowing.

Ahem! Well, a tradition is a tradition, and there's always next year to try again.

The English singing group fad inspired art work in lockers. Not only were there pictures of the "Rolling Stones" and the "Beatles," but a real live frou-frou and once even a fire-extinguisher!

Springtime roars in again with the class officer elections. That means, of course, posters covered with propaganda!

# Grow Nearer the Hearts of Students

The Jerk, the Frug, the Freddie, and the Swim were popular dances at Berdoo and throughout the country and parts of Europe.

Even some daring teachers risked their lives amid swinging arms and legs on the dance floor.

Bev Owens and Even Evensen, members of the 50th year graduating class, had a little tea party to commemorate Raggedy Ann's and Raggedy Andy's fiftieth birthday. (Raggedies compliments of D. J. Wilson)

Janis Holcomb was a perfect example of '65 fads: square-framed glasses, straight, blunt-cut hair with thick bangs, a hair bow, and lots of rings.

Styles come and go, but old traditions like "worshipping" the football team after a touchdown, never die (and seldom fade away!).

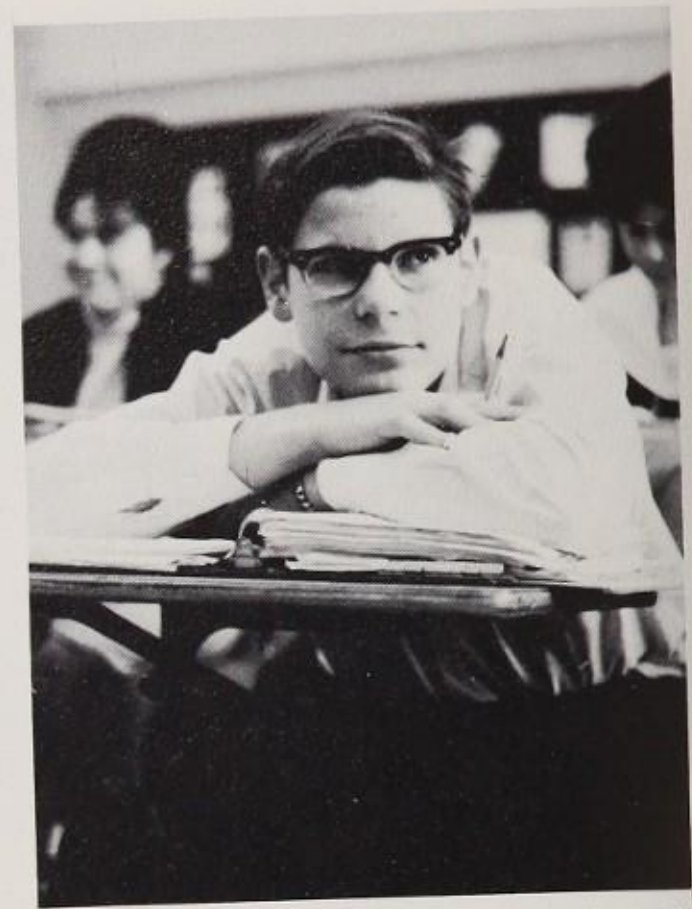

# English and Social Studies are Important

Dr. Scott, Senior Problems teacher, guides his students in discussions of world and national problems.

## SOCIAL STUDIES

Problems of Democracy is required for graduation. In this class problems of government plus social adjustment (in adulthood and in marriage) are disclosed. To receive a diploma, each senior must compose a thesis.

Junior Charles Olsen seems to doubt the truthfulness of his U. S. history teacher.

Mr. Lillibridge conducts a junior English class despite interruptions from Tyro photographers.

## ENGLISH CLASSES

English is one of the basic requirements for all students in SBHS and in every school in the United States. All college preparatory courses require four years of high school English (beginning with 9th grade), and students not planning on attending college must have 3 years of English to graduate.

Sophomores begin with mythology and poetry. Later they study some drama and term paper forms. This year's sophomores were offered a new course called Humanities. This course combined history, English, art, and music into a related study. A team of teachers helped them to see the correlation of art, music, and history to English. The students in Humanities went on several field trips to museums.

Junior English dwells on American literature beginning with the Pilgrims and going through to the present. Poetry, diaries, essays, novels, fiction, and biographies are all discussed in junior English.

# ant Requirements for All Students

Mr. Robert Ballou gives his history class an insight into the ways of people in other countries.

## SOCIAL STUDIES

Social studies includes world history, U. S. history, and Problems of Democracy. In the sophomore year, all students must take world history, a general course beginning with the ancient Chinese civilization and ending with a study of modern times and governments. Geography is also working in with the history.

During the junior year, a more specific study of the United States is presented. Term papers and oral reports are on the agenda for every unsuspecting (and suspecting) junior, who, at the end of the year is "worn to a frazzle."

"U. S. history is too the most exciting subject in the world!" says Mr. Jack Cardoso.

## ENGLISH CLASSES

Senior English students prepare for college by learning clues to doing well on entrance exams and building up their creative writing abilities.

Seniors also have a special English course, World Literature, taught by Miss Joanne Woodward. In this class, seniors study the classics required to get them ahead in college. They read books that date to Biblical times and, in contrast, very modern works.

All English students have the opportunity to enter compositions in the Writing Clinic. These compositions are judged and discussed by groups of students who have also submitted entries.

Mr. Uhl helps his junior English class interpret poetry and drama.

# Industrial Arts, Physical, Biological

In Mr. Dickson's machine shop, Rick Stevens and David Jeffries learn about the uses of tools and machines.

One of Mr. Buster Burris' students learn about the intricacies of a car.

## INDUSTRIAL ARTS

SBHS gives its citizens who want to choose careers in carpentry, drafting, mechanics and printing a good background for apprenticeship. Machine shop, welding, auto and wood shops are all available to boys.

The print shop helps the school by printing the Tyro Weekly and many of the cardboard posters that are found around campus. Printers also print tickets and programs.

Carpentry students actually built a house on "F" Street near SBHS.

Dick Buxton completes an assignment in a drafting class.

Mr. Buch demonstrates type setting to student Jim Guthrel.

# Sciences Are Part of Curriculum

Mr. Turnbow and his students go over tests in one of his chemistry classes.

In general science classes, students learn the fundamentals of using a microscope.

## SCIENCE CLASSES

In today's world the sciences have become more important than ever before; so, high schools must teach the scientists-to-be all they possibly can. At SBHS we have courses in chemistry, physiology, biology, and general science. Despite the "smelly" concoctions that students come up with in chemistry, and the dissections in physiology, determined students trudge on and a few even survive to become real scientists, entering projects in the Science Fair on local and sometimes national levels.

Chris Christie draws mysterious potion from a pipette in chemistry.

All her life Alice Cotton has secretly wanted to smoke a water-pipe; now is her chance!

"6 1/2, 6 and . . . oh heck, make it 7. Mr. Wagner'll never know the diff." says Sue Burke.

# The Arts, Business Training, Foreign

Handsome brute Melvin Walker give the mannequin in his retail selling class a few lessons on how to wear a wig.

In retail selling class, students learn tricks for attractive merchandise displaying.

## PHOTOGRAPHY AND BUSINESS CLASSES

SBHS offers business courses ranging from personal typing to office practice. Shorthand, transcription, business English, and many other classes are available to students who may or may not want to go on to college. Retail business gives pupils a chance to learn, among other things, about displaying merchandise in attractive ways. Typing I and II teaches fundamentals of writing and typing in good form business letters.

SBHS' photography department is headed by Mr. William Threatt. Besides learning about cameras and developing film, some of his students are on the Tyro Weekly and Tyro Annual staffs. Mr. Threatt was responsible for the 50th year film (in full color).

Besides teaching photography and advising photographers, Mr. William Threatt has the inspiring duty of handing out report cards.

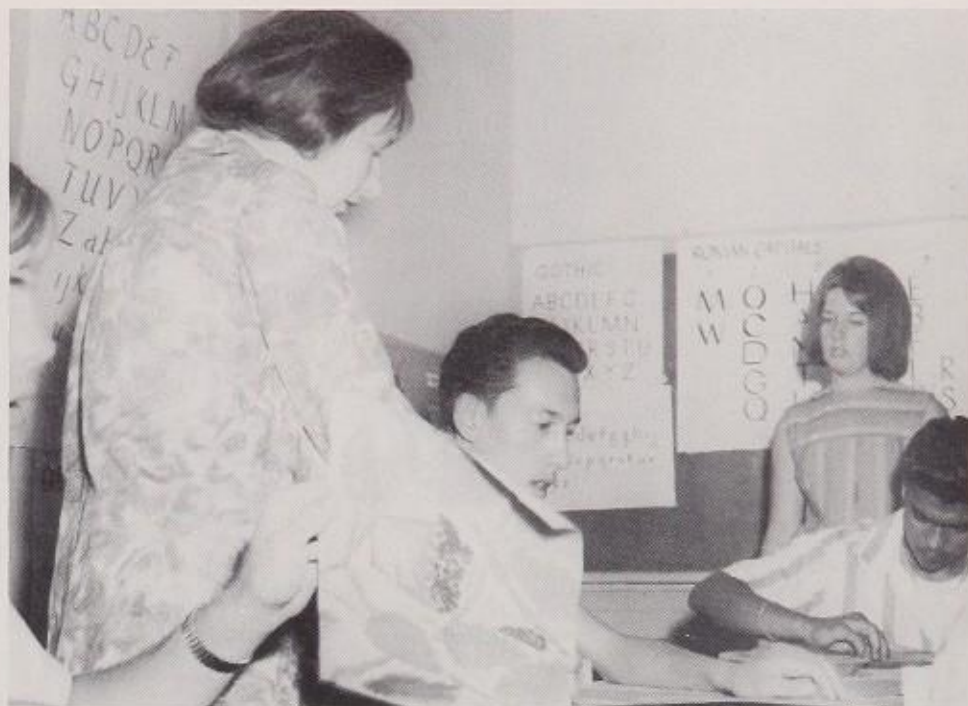

"All right, you guys, I want you to have all 500 pictures the Tyro Annual ordered today shot, developed, and ready to go by tomorrow!"

# Languages, and Math Offered at SBHS

Business or personal typing is an important class for both college-bound and career-bound students.

Many commercial art students are interested in becoming professionals in the advertising field.

## ART, FOREIGN LANGUAGES AND MATH

Art classes of all kinds are available to interested Card citizens. Beginning and advanced art, ceramics, commercial art, and arts and crafts are open to all.

Creations of our artists are displayed in exhibitions in San Bernardino and out of town, plus in show cases in the Ad hall. Some artwork is entered in local and national contests.

The art teachers at Berdoo expose pupils to new methods and styles. They have been helpful to decorating committees for luncheons and to the Prom committee.

French, Latin, German, and Spanish courses are included in SBHS's curriculum. Language classes give background in the customs and the countries in which the language is spoken.

Several Quetzacoatl members went to Mexico this year; students of French heard records of French and movies such as "The Umbrellas of Cherbourg," and Latin students heard all about Europe and Italy. German students learned to speak their language by associating words with the artwork of Mr. Bob Graetz.

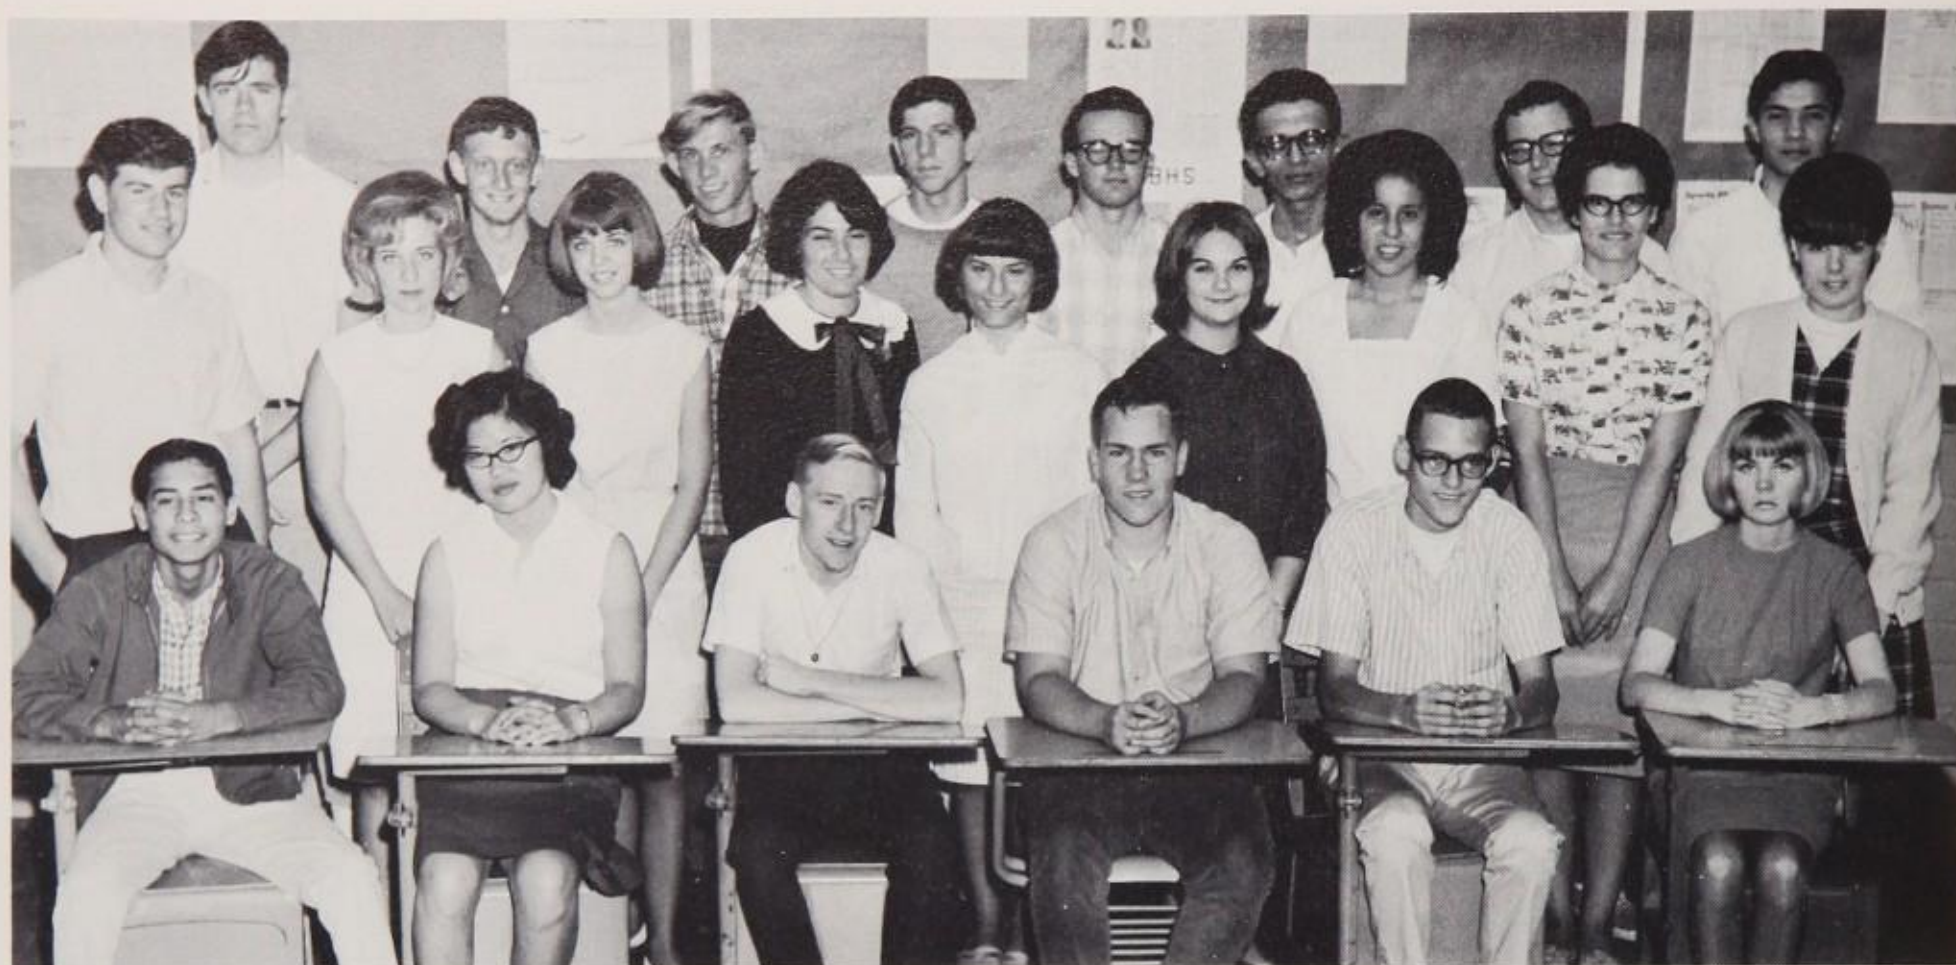

The mathematics department offers courses in sophomore math, remedial math, algebra, geometry, physics and trigonometry. Math students have a club all their own and many Card citizens enter the Math Marathon and other national math contests.

A visitor to the SBHS Spanish classes was the principal of a Mexican school who gave an animated talk.

The members of the 1965 Tyro Weekly Staff saw and learned a lot about the actual production of a large newspaper during their tour of the many departments of the Sun Company.

The SBHS Tyro Weekly staff was on the scene during a portion of the Lucille Miller Trial.

# Anniversary Edition in Mid-March

Claudia Norton discussed new and different problems and techniques of a school newspaper as compared to that of the Sun-Telegram.

John Morthland, Tyro Weekly editor, Judy Goodman, and Ken Guidry are fascinated by the immense machinery and output during their visit to the Sun Company.

Mr. Lowell Buch and Jim Guthrel work on last minute type setting for another issue of the number one Tyro Weekly.

## TYRO WEEKLY

This year, the Tyro Weekly staff was under the guidance of advisor Mrs. Helen Atkinson and editor-in-chief John Morthland. Two new features were added to the paper: "Press-Time," editorials written by senior Carol Press and a political column written by Larry Levin. Photographers for this year were Armando Mena and junior Gus Zaharapolus.

Many outstanding awards have been won by staff members. Among them are John Morthland and Kathy Kwock who won a second and third place respectively in the annual Los Angeles City College Press Day. The Tyro was one of the few papers that captured more than one award. Outside of competing for awards, the Tyro also observed a session of the Miller Trial and spent a day at the Sun-Telegram.

At the beginning of March, a basketball game between SBHS faculty members and the Harlem Clowns helped raise money for the Tyro Weekly.

## TYRO ANNUAL

To celebrate SBHS' Golden Anniversary the Tyro Annual staff has attempted to compile a complete history of SBHS. Under the leadership of Miss Glenda Gentry, advisor; Janice Dillon, editor; and Mike Schwartzkopf, production manager, the Tyro staff has worked since September to produce the 1965 book.

At the beginning of the school year Tyro staffers sold annuals and advertising; later they sponsored two all-school dances to pay for the yearbook. Approximately \$10,550 was raised.

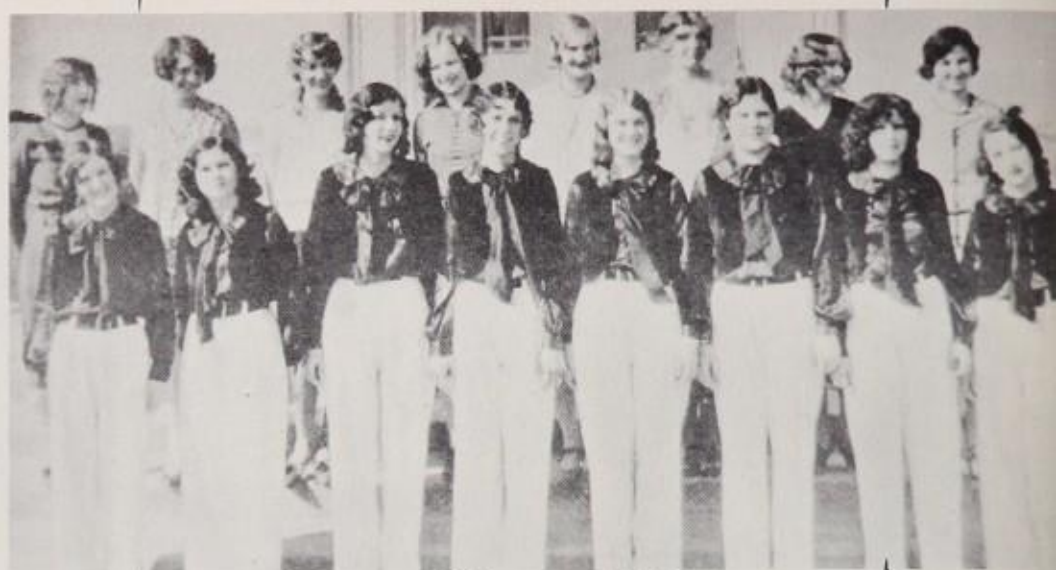

Returning to the staff for the third year were Janice Dillon, editor, and Sandy Morris, business manager. Second-year members were Mike Schwartzkopf, Bob Martinez, and Debbie Stockwell.

Activities during the year included many successful car washes, parties for the children at the County Hospital and Juvenile Hall, and helped at Patton State Hospital. The San Bernardino Chapter also sent students to volunteer their services for County Hospital.

This year's president was Heather McCulloch, and she was helped by Mrs. Dodge, the sponsor.

Members of Card City Congress are chosen from each first period class at the beginning of each semester. These representatives meet with student council semi-monthly to discuss suggestions and comments made by the student body of SBHS.

Card City Congress is the direct representative of the student body to the council. Card City Congress

acts as a checks and balance system to council to represent the feelings of the students regarding school policy and activities sponsored by Student Council.

Each year the Card City Congress of SBHS presents its annual spaghetti feed held this year during the month of April. CCC was sponsored this year by Mr. Bryan Burke, while Ray Saucedo served as President.

## JUNIOR STATESMEN

With Dr. Scott serving as sponsor and Benny Treas presiding over meetings, the Statesmen Club of San Bernardino High School has received a face-lifting during the past three years. It has affiliated itself with a statewide organization, the Junior Statesmen of America, in addition to the club's traditional affiliation with the Optimist Club.

Junior Statesmen's broad scope offers its members opportunities for expression and education in the fields of political science and methodology. "Make Democracy Work" serves as the Statesmen motto, yet viewpoints from many make Statesmen the challenging and dynamic program it is. Activity at state conventions and participation in the JSA Summer School are major goals.

## CALIFORNIA SCHOLARSHIP FEDERATION

One of the oldest clubs on campus is CSF. For over thirty years CSF has been an incentive for high academic achievement at SBHS. The San Bernardino High School chapter of this state-wide organization limits membership to students having ten points and no "D's" on their semester report cards, with an "A" equalling three points, and a "B" one point. CSF annually spon-

sors a banquet honoring its Sealbearers, who are CSF members who have been in the club for four semesters, one in their senior year. The CSF Sealbearers wear a gold cord during graduation and earn a pin, the only high school pin allowed on California college campuses. Mike Andrews was the President of CSF, and the sponsors were Mr. Lilienthal and Mr. Martin.

## SEALBEARERS

Students who have received three A's and two B's on their report cards four times, and once in their senior year are qualified to become Sealbearers. If these requirements are met, the student wears a gold cord on his robe at graduation, receives a gold seal on his diploma and earns a pin.

At the end of the year the members of the California Scholarship Federation honor the Sealbearers at a banquet.

## VARSITY

Coach Carl Schiller's SBHS Varsity added its part to the 50th year celebration at Card City by marching to four consecutive pre-CBL clashes. These tilts included shutouts over Eisenhower, 26-0, and Colton, 14-0.

However, CBL competition dashed the hopes of Card City Citizens for a year of golden triumphs. Strong Pacific, Redlands, Chaffey, Ramona, and Riverside Poly teams out-manned the Redbirds in successive games.

Although Berdoo did not rank high in CBL competition, it did send several gridders to All-CBL. Linebacker Ray Saucedo was chosen to the All-CBL defensive team. Mike Wilhide was elected center on the All-CBL second team. Receiving Honorable Mentions recognition were ends Earl Collins and Larry Blakely, and backs Ken Oyer and Tom Hoak. Guard Don Bell missed recognition in All-CBL by one vote.

Coach Carl Shiller's Cardinal Gridders marched to four pre-loop victories, but dropped all five CBL tilts.

The climax of each SBHS football season is the Awards Banquet. The most highly valued, because it is the players themselves who choose the recipient, is the Sportsmanship Award. This year it was given unanimously to Tom Maier.

Other highlights of the Banquet were the naming of Ray Saucedo as Most Valuable Player and Dick Kresge as Most Improved Player of 1964. Ray Saucedo and Mike Wilhide were jointly elected captains of the varsity team.

## SWIM TEAM

The SBHS swim team captured one win this season in a meet with Ramona. The team ended the CBL season with a record of four losses and one victory. However, in practice meets Berdoo came through winning one-third of the meets.

Senior Even Evensen set a new CBL record in the 200-yard Individual Medley. The new CBL record is 2:10.5. While accomplishing this feat he also broke school records in the 400-yard Free-Style, 100-yard Breast Stroke, 100-yard Back Stroke, 200-yard Free Style and the 100-yard Butterfly.

Even was not alone in the record breaking department. Sophomore Phil Treas broke the school record in the 100, and 50-yard Free Style. Other sophomores to watch in future events are Jeff Cohen (Breast Stroke), Bruce Diel (Butterfly), and Mike Hammond (Back Stroke).

## GOLF

San Bernardino High School's golf team swung into the 1965 season by winning five of the first six practice matches. During the actual tournaments, Terry Blatnick and Dick Delaney shot excellent nine hole rounds. Unfortunately, Terry was dropped from the squad for the balance of the year as a result of illness prior to the first CBL match in April.

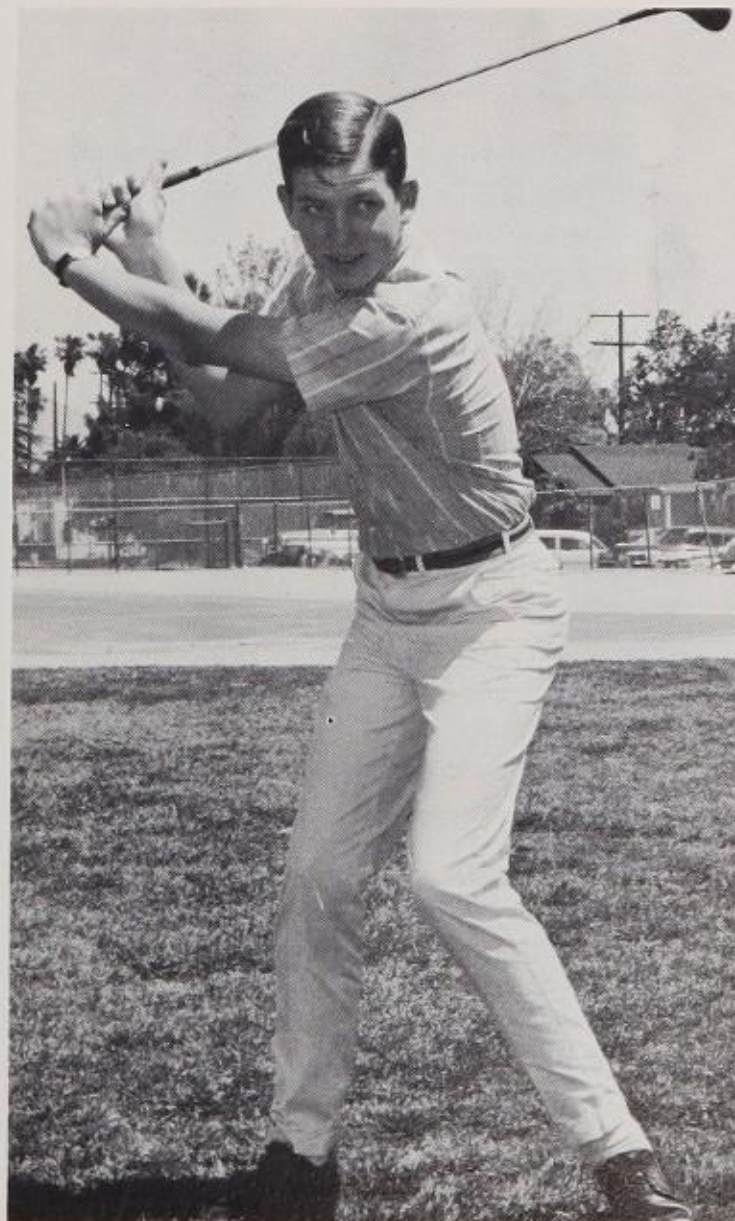

The season revealed the potential of several sophomores who will serve as the nucleus of next year's team; these are Gary Stine and Mike Brown, who will be returning along with Dick Delaney.

## TENNIS

Despite the loss of a solid core of seniors, SBHS netters moved past Fontana, Ramona, Riverside Poly, and Eisenhower. The young Cardinal team showed great improvement, receiving much experience, and moved up in CBL standings this year.

Fielding only three seniors — Don Dudley, Armando Mena, and Arthur Perez — the Crimson netters relied on juniors Jim Noyes, Jeff Bell, and Jess Paez to get past Eisenhower in a marathon battle (5-4).

Sophomores Don Hippenstiel, Kevin Shubert, and Henry Wong came through with clutch points against Riverside Poly and Fontana. Wong and Hippenstiel combined as one of the top doubles teams in the CBL.

## VARSITY TRACK

The Cardinal track team brought SBHS its only championship in the golden anniversary year.

With a determined mind the Berdoo spikers, after opening the CBL season with a loss to Ramona, battled their way back into contention for the CBL crown.

The Varsity thinclads with their sights toward a banner season for SBHS, defeated a persistent Pacific team to finish with a 4-1 record.

This year's team had many outstanding performers. Edgar Denmon, Card low hurdling specialist, was undefeated in CBL encounters. Denmon's unofficial 9.6 hundred yard dash and 18.9 low hurdles mark, brought excited cheers from many spectators.

Richard Saterfield, No. 1 man in the 100 and 220 yard dashes, brought in many valuable points in the 440. Saterfield's 9.7, 21.0, and 48.6 in the 100, 220, and 440 yard dashes, places him "the man to beat" in CBL competition.

In the distance races, Victor Lopez wouldn't take a back seat in the two-mile run, nor would Tony Vessup or Roger Pine in the 880 and mile.

The Redbirds, with an almost balanced attack, captured the team championship trophy at the Spike O'Rama and the Steeler Relays.

Mark Ostoich established a new record in the shotput. Mark sailed the 12 pound lead ball 56'7½" against Redlands. Only a sophomore, Mark brings high hopes to Card City for the next two years.

With a 1:28 flat relay clocking, the speedy quartet of John Cain, Edgar Denmon, Richard Kresge, and Richard Saterfield ranked no. 4 in Southern California. At Mt. Sac this same relay team neared the school record in the 440 yard relay with a 42.6 clocking, the record being 42 flat.

## VARSITY BASEBALL

Coach Jack Wilkins, with the assistance of managers Dana Nelson, Vernon Hernandez, and Robert DeLara, led the Cardinal baseball team in an exciting season. Shortstop Darrell Hawthorne (.375) and pitchers, Gary Mahlstedt (2-2) and Jerry Nece (2-1) head the team as outstanding hitter and pitchers. John Wicklund, a promising player for a CBL position, sports a good defensive policy against opposing teams as first baseman and fielder.

Following a SBHS tradition, Cardinal City's 1965 team defeated past players in an Alumni game early in the season. A one-hitter, pitched by Gary Mahlstedt against Ramona, remains the best pitched game of the season. Outstanding sophomore player Bob Uribes was unable to complete the season due to a broken foot.

Coach Jack Wilkins takes the ball from one of his ace hurlers, Jerry Nece.

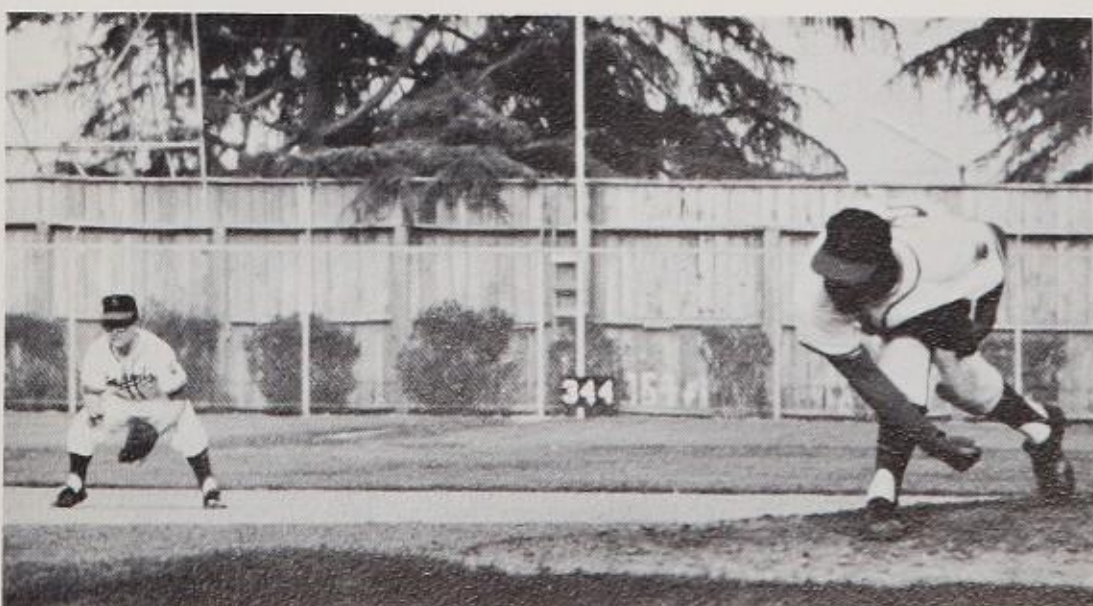

Gary Woods shakes the pitcher up with his great running ability and draws a throw.

John Wicklund scrambles back into position against Pacific.

Jerry Nece slides in home to beat the throw of the opposing team and to chalk up another point for the Cardinals.

Eugene Miller follows through with a winning pitch as Hawthorne waits intently.

The 1965 JV Baseball team are masters of the double play and their defenses are very strong. Ronnie Ponder and John Boggust have batting averages of over .300. The team is expected to place high in league standings.

JV Rick Moyer shows the form that made him one of the top JV's of the 1965 season.

## SOPHOMORE BASEBALL

Coach Hugh Wise's sophomore baseball team showed great enthusiasm in posting a 7-7 record by the end of April. The Cardettes slugged out pre-league victories over Colton and Fontana. Colton was unbeaten before the sophs defeated them. San Bernardino handed defeat to CBL opponents Redlands, Ramona, Pacific, and Riverside.

In CBL action the sophomore crew posted a five win-five loss record splitting evenly with Ramona, Riverside Poly, Fontana, and Redlands. The Cardettes gained two victories over the Pacific squad.

Action after April 29 was unavailable at Tyro deadline time.

# Girls' PE Classes Participate in Fall,

SBHS girls reveal that the 660-yard run is one of the most gruelling tests of physical fitness.

Happy smiles accompany girls who earn excellent times in the strenuous race.

All girls must complete the run; some take a rest along the way, however.

## PHYSICAL FITNESS

Fall and spring physical fitness tests prove to be a backbreaking job for some and a pure joy to athletically-inclined girls.

The shuttle run requires skill as well as coordination. Two blocks of wood are placed upon a mark; the girl runs to the blocks, picks one up, runs back to the starting line, places the block down, returns for the other block, then runs across the starting line as soon as possible.

For the bar-hang strong arms are necessary; each girl is lifted to a bar above her head and there she hangs

until her chin falls across the bar.

The modified push-up is especially hard on the arms and stomach.

In the sit-up section of the test, one minute is counted off and the girls do as many sit-ups as they can.

Last but not least, is the walk-run. It is perhaps the most dreaded part of the test. Girls are allowed to walk and run around the track one-and-a-half times.

After one week of these tests, the girls are ready for an extra-long, cool shower and a refreshing backrub.

# Spring Physical Fitness Tests

Girls' gym classes are tested for endurance during a timed arm-hang which makes twenty seconds seem like an hour.

Girls get ready to take off on a long broad jump for the physical fitness program.

Another timed test is the sit-ups. The girls are required to count the number of sit-ups they can do in a period of sixty seconds.

The ability of change in direction is tested during the shuttle run.

# SBHS Girls' Gym Curriculum Is Varied,

The energetic athletes line up, take careful aim, wait for the whistle, and hope for good results.

Archers retrieve their arrows and keep track of the score, everything from bullseyes to arrow caught in the grass.

Confidence is shown as team members back each other with skill and encouragement.

Volleyball is played with enthusiasm by all participants.

## SUE HOLBERT MEMORIAL AWARD

To be selected as a recipient of the Sue Holbert Memorial Award is a great honor and distinction for any girl. Each year since 1958 a senior girl has been awarded a trophy and a sum of money. The recipient of the award is chosen by the faculty members of the Girls' Physical Education class by secret ballot.

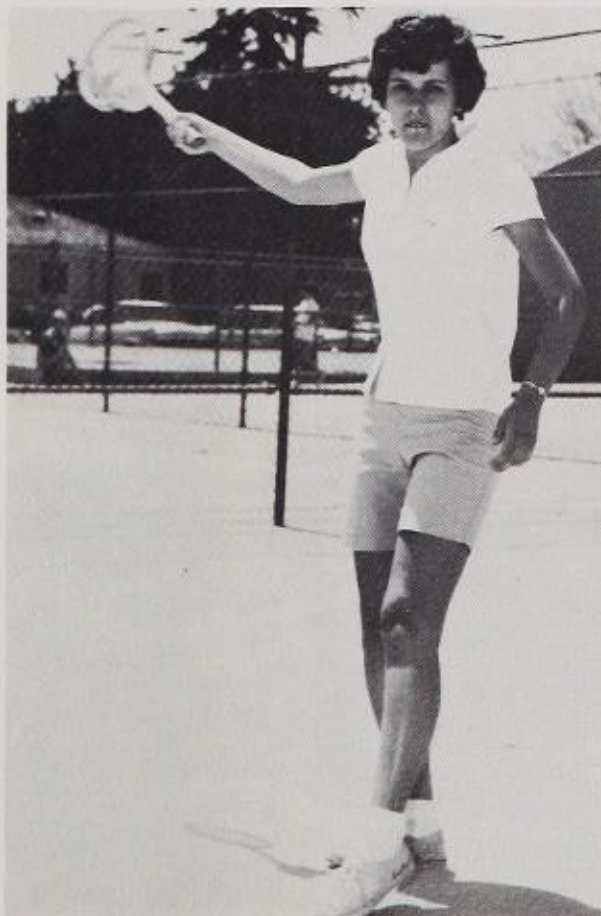

The recipient of the Sue Holbert Memorial Award for this year was senior Gladys Perry. She was selected on the basis of sportsmanship, service, loyalty, and dedication. The award was presented to Gladys who had been active in GAA and showed outstanding qualities in these four areas.

Sue Holbert died while playing a basketball game at St. Bernardine's during the month of February in 1958. She would have graduated in June of that same year. To commemorate her death a memorial award was started by GAA and her parents.

Gladys was given a trophy at the awards banquet held May 19 and her name was inscribed on the memorial award.

Carol Press and Beth Gong, an often comical twosome, show form and coordination in a backhand shot.

Margaret Eaton demonstrates the correct form in returning a serve.

Six weeks of golf give girls background and pointers on proper stance and swing.

# Tyro Weekly Sponsors Harlem Clowns;

The Harlem-Berdoo Clowns, standing: "Lone Ranger" Rohn, Bob "The Thing" Pring, "Crazy Legs" Dolan, "Mr. Kleen" Stahlheber, "Tonto" Wise, "Twinkletoes" Pecchia, "Mulligan Stu" Southworth, "Tricky Dick" Adair, "Killer Diller" Schiller. Kneeling: "Hairless" Dave Stine, James Allen, Buster Clark, Dick Koch.

Perhaps not the most co-ordinated but certainly the most enthusiastic cheerleaders the Berdoo Faculty Cagers could have ever wished for, Miss Sharon Preston, Miss Ruth Kaiser, Miss Joann Woodward, Mrs. Donna Morris, and Miss Lea Ward, lend their share of "high jinx" to the night's frolics.

Dr. Keith "Crazy Legs" Dolan, lending encouragement to the other players, courteously consents to having his photo snapped as the "Coaching Cards" notorious captain.

# Berdoo-Pacific Faculty Clash For Fun

Pacific-Berdoo basketball game requires skill and ingenuity for footwork and fancy shots, such as this "under the arm" shot by Crazy Legs.

"That's two, for Berdoo . . . Well, we thought it was."

## PACIFIC-BERDOO FACULTY GAME

Another night on the court for the Coaching Cards revealed much about the skill and conniving of both teams. The Pacific-Berdoo faculty game, an annual event, held at Pacific was another "fun" night for the Berdoo's faculty team. "Crazy Legs" Dolan really had it in for a couple of Pacific players, and put on a good show for the spectators. Tricky Dick, Tonto, and Mulligan Stu led the Cards in baskets to an amazing defeat by the crosstown team.

## HARLEM CLOWNS

SBHS student body, faculty, parents, and alumni enjoyed the hilarious evening when Cardinal City's Faculty Cagers challenged the nationally-known Harlem Clowns to a game of basketball(?). Spectators, jam-packed in the bleachers, laughed as much as they cheered at the unbelievable skill and antics of both the Clowns and faculty. A victory was unconceivable, but the spirit and pep generated by the game was more valuable than any goals which could have been made.

# Officers Scott, Sally, Claudia and Bill

Senior class president Scott Reed and vice-president Sally Buller pause to review the success of a well-planned year.

Secretary Claudia Smith and Bill O'Conner, social chairman, graduate with the satisfaction of a job well done.

San Bernardino High School's 1965 senior class helped make Cardinal City's golden anniversary a truly memorable one. Along with choosing black and gold robes, the senior class worked diligently and successfully in producing enjoyable school activities.

Highlighting the social calendar were a pair of outstanding homecoming dances. At the football homecoming game the senior class provided students with the traditional homecoming mums. Crowned as the 1964 Football Homecoming Queen was Marilyn Shober attended by princess Sheryl Hartwell. The court also included Sharolyn Carter, Mary Jo Dikeman, Ronnie Lethbridge, and Julianne Peterson.

Taking place in February was the crowning of the 1965 Basketball Homecoming Queen. Donna Cocking was crowned with Judie Ellis receiving the title of princess. Those nominated were Sandy

De Weert, JoAnne Negrete, Beverly Owens, Michal Schwartzkopf, and Suzanne White.

During the 1964-65 school year students produced many scholastic achievements, attracting honor and recognition to themselves and their school. Two seniors were National Merit finalists. This high honor was earned by seniors Jack Reid and Gary Ross. Cardinal City's Challenge Bowl was supported by its senior team members Michael Austin, Joe Byrne, David Martin, Ann Marie Popadak, Carol Press, Jack Reid, and Gary Ross. This team proved highly successful in competition.

As seniors look back on their accomplishments and experiences of the past three years, they will treasure these memories throughout their lives. Seniors look forward to success at college, work, and marriage.

# Jim Hackleman, Laura Russell, Reta

Junior class officers Jim Hackleman, President; Reta Davis, Vice-President; Laura Russell, Secretary; and Linda Lenker, Social Chairman put up the display on senior class rings.

SBHS juniors led by officers Jim Hackleman, Reta Davis, Laura Russell, and Linda Lenker concentrated especially hard in making plans for the Golden Anniversary Junior-Senior Prom. To finance the spring affair, juniors sold candy in November and Cardinal booster buttons in February.

Not being a class to be left out, the juniors sponsored two successful victory dances after football and basketball games.

The class of '66 has the distinction of a really different class ring. The emblem of the fighting Cardinal designed for the ring represents Cardinal City. The school motto, as well as other emblems, adds to the beauty and interest of the ring.

Karen Mason, named 1965 Junior Darling,

added to the grace and beauty of the Basketball Homecoming Court. Other finalists were Candy Cohen, Kathy Murphy, and Kathie Kattana.

Brainpower also found its place in the class with Steve Langberg Challenge Bowl Captain and the only second-year member of the 1964-1965 team.

Junior counselors, Miss Bonnie Brownell and Mr. John Regalado, found little spare time. Questions about senior schedules and college plans began long before the close of the juniors' year.

The big campaign for ASB offices kept active juniors quite busy in the spring and marks the long road to a busy senior year. The Class of '66 has a well-worn path of tradition to add to as well as to follow.

As tradition follows at Cardinal City, each class has the distinction and privilege of choosing its own style class ring. Following the decision of the committee, juniors order their rings and patiently await their arrival in the spring.

Turning of the rings by members of the senior class gives the juniors the privilege of being considered seniors and marks another part of the class ring tradition.

Donna Ward determines size and orders her class ring from senior Debby Floyd.

# Sophomore Class Elects Oehler, Gong

Sophomore Class officers, elected in early October, coordinate the class' activities and projects. Left to right, they are Bill Oehler, president; Judy Groos, secretary; David Gong, vice-president; not pictured is Gerri Orton, social chairman.

From the day of sophomore orientation the members of the sophomore class have begun an active and successful three year term. Under the guidance and leadership of president Bill Oehler and class sponsors, the sophomores have begun to build a strong sense of unity among the class.

Following an old tradition, a candy cane sale, sponsored by the class proved to be a success and put the sophomores in a good financial position. The money raised provided the funds for the successful sock hop held in March, another feather in the cap of the class.

All was not fun and success for the class. Adjusting to a new routine of studies and activities meant endless questions and visits with counse-

lors, Mrs. Barbara Neal and Mr. Gerald Ehlers.

The class was well represented by Valerie Whitehouse, who reigned at the 1965 Basketball Homecoming. Other girls who competed for the title included Stephanie Anton, Jeanne Dikeman, Linda Johnson, Loretta Nesbitt, and Margaret Tanner.

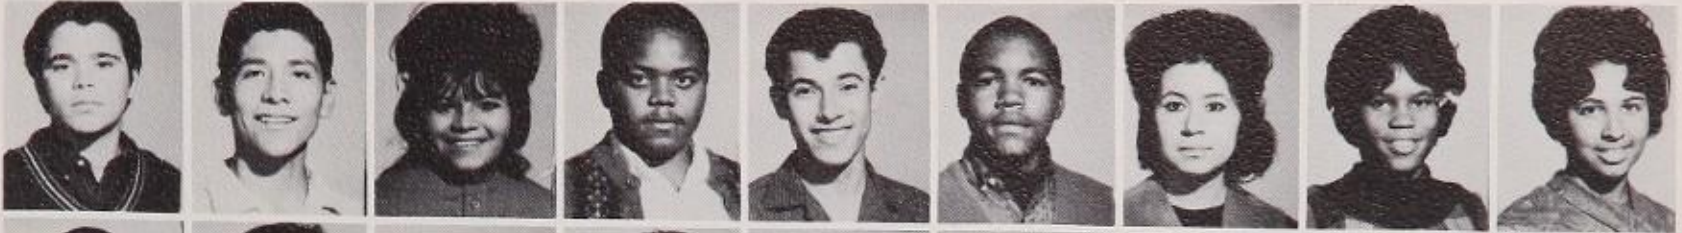

Class officers, Dave Gong, vice-president; Judy Groos, secretary; and Gerri Orton, social chairman, capably assisted Bill Oehler in other projects such as heading the prom clean-up.

The class of '67 definitely began SBHS with an outstanding year. Next year as juniors they will have the advantage of strong unity and a firm foundation.

During the state election campaign of 1962-63, Governor Edmund G. (Pat) Brown paid a visit to the city of San Bernardino. Mayor Lippit met with Brown and asked his aid in making Card City an official city with the State of California. Brown agreed, and, on May 9, 1963, after approval by the legislature, he signed the official, state-granted charter for Card City, making SBHS the only high school in California history "to conduct all the functions of a city government."

## Kennedy Memorial, 1964

Recent events in Card City's history include the dedi-

cation of the John F. Kennedy Memorial Area and the decision by the Student Council to create an archives to house all of SBHS' numerous trophies and mementos of bygone years.

After fifty years, the prophecy of Mr. L. L. Beeman, principal of SBHS at that time, is certainly continuing to prove true. At the laying of the cornerstone of the new San Bernardino High School at 19th and "E" streets in March, 1915, he confidently stated: "I am . . . sure we are doing a good thing and that we are doing it well, therefore no one will ever regret it."

## Let's Take A Walk Down Memory Lane

By EARL BUIE

(Editor's note. Mr. Buie, author of the SB *Sun-Telegram* column "They Tell Me," is a 1916 SBHS graduate. The following article appeared in the SB City Schools publication *Passing Marks* on March 1, 1965.)

Let's take a leisurely drive down Memory Lane and perhaps stop a few minutes at 18th and E Streets where, in 1915, the "new high school way out in the country" was opened.

Do you remember:

When the school's first cafeteria was installed in the basement of the classroom structure south of the administration building? Most of the students, however, thought it was more fun to walk to the Sixteenth Street Grocery for lunch.

When Hugh McGraw, the manual training instructor, pitched for batting practice at the baseball team's workouts?

When W. C. Seccombe, who was later to become a three-time mayor of San Bernardino, was chairman of the Board of Education? Mrs. R. F. was the feminine member of the board.

When a few of the students, who lived in Rialto or Highland, rode horseback to their classes?

When the late Fred Johnson coached all sports, assisted in some seasons by alumni who had starred in their school days?

When dancing in the gymnasium would have brought harsh punishment from the faculty? Students held their dances at the Woman's Clubhouse on 6th Street.

When Marguerite Moqueau had a tough assignment? She doubled as the school librarian and supervised study hall sessions. She is now Mrs. James W. Cole.

When the Rose Harbison perpetual scholarship was established as a memorial to a member of the 1916 class who died in her senior year? Her brother, Robert, was later to graduate from the school.

When there was no school band but the orchestra, directed by Harry J. Bell Jr., played plenty loud at the school assembly sessions?

Do you remember:

When the high school had to compete with the Santa Fe Railway's apprentice school for young male students?

When the Pacific Electric street cars on the early morning and late afternoon runs on D Street were jammed with high school students? There was little demand for automobile parking space around the school.

When almost all of the business houses in town, except, of course, the saloons, advertised in the Tyro annual, or classbook? There was no weekly school paper.

When Principal L. L. Beeman proudly presented the first graduating class of San Bernardino's new high school in June, 1916? There were 87 members of the class.

When an earthquake so severely damaged the Grecian pillars of the Administration building and weakened the trusses of the auditorium that the whole school underwent an architectural face lifting? The pillars and the classic arch of the Administration building were removed and a pseudo/type of architecture adopted. The auditorium was razed and a new one erected.

Do you remember:

When almost all of the girl students wore white sailor blouses and blue skirts to school? The boys were smart in corduroy trousers.

When there was no Parent-Teacher Association? But I had one of my own — my mother and the school principal, who met in grave sessions frequently.

When only high school graduates who planned careers as attorneys, doctors, engineers, or teachers continued their education in the universities? You were old enough to work when you finished high school.

When there were no drive-ins, not even a soda fountain for blocks around the high school? But you could get a rootbeer at the nearest grocery store.

When most of the students walked to school—rain or shine? And, for some students, school was a mile or two away.

When there were no caps and gowns for the graduates at commencement exercises? Every girl had to have, or course, a graduation dress but the boys wore their Sunday best.

When there was always a commencement speaker at graduation? Ordinarily, he was a distinguished educator. I can't remember the name of ours or, what's more, a word of the advice he gave the graduates.

When the 1915 class Tyro got a world of laughs by printing the baby photographs of the graduates, along with their individual pictures? I never learned whose idea it was.

And now you can get as many laughs by reading again the class phophecy in which the editor forecast the careers the graduates would follow. Boy, how that editor missed 'em.

## EDITOR'S LETTER:

The job is finished and another annual at SBHS has been "put to bed." This year's annual is quite different from any yearbook TYRO staffs have produced in past years. Opening sections represent the past and present at Card City. A time-line of history has been traced from the early beginnings at SBHS to the present time.

To be on the TYRO staff of SBHS, especially during 50th year activities, is truly a great experience for any person. Many hours of work are spent each week by capable staff members, whose combined efforts bring you this annual. This year's annual, however, would not have been possible without the counsel and assistance of our advisor, Miss Glenda Gentry. Along with Miss Gentry is another hard-working individual, Mike Schwartzkopf, whose position on the TYRO this year was Production Manager.

Sandra Morris, who returned for her third year on staff, worked well and hard as a very dependable Business Manager.

Ken Moton, Photography Editor, spent numerous hours in the photo lab with other photographers to develop action shots for this year's annual.

A word of congratulations and appreciation are extended to other staff members who have done work to help make this yearbook possible.

We, the TYRO staff of 1965, hope Card Citizens of SBHS enjoy this annual and will remember it always.

Janice Dillon  
 Editor-in-chief, 1965 Tyro

The TYRO staff is grateful to the following individuals for their gracious assistance in the production of the 1965 TYRO: Roger Smith and Randy Briggs, General SBHS History; SBHS Photography Dept., Ken Moton, Armando Mena, Rick Ward, David Lesser, Bill Laffoon, Mr. Bill Threatt; Mr. Jack Cannicott, Los Angeles Engraving Co.; Mr. Dick Caudle, Citrograph Printing Co.; Miss Ruth Myers, SBHS Financial Secretary; Mr. Earl Buie, San Bernardino Sun-Telegram; Mrs. Elizabeth W. Richards, Santa Fe Federal Savings and Loan Co.
